MediNova AI

Hello! I am your MediNova health assistant. How are you feeling today? You can describe your symptoms or ask me any health-related questions.

I've had a headache since this morning and I feel a bit warm.

MediNova AI

I understand. To help me assess this better, could you tell me if you have any of the following?

- Sensitivity to light?
- Any nausea or dizziness?
- A sore throat or cough?

No, just headache

Light sensitivity

Nausea

Sore throat
